

SRI G. B. SHANKAR RAO.—In the Education Department there was a cadre of Head Masters. For this there was a system with different pay scales. That difference remains throughout the officers in that cadre were inter-changeable. The Class II officers who belong to that cadre, enjoy a different pay scale. So in the same department, officers belonging to the same class, enjoy higher scale. Now we are examining how to set right this anomaly.

SRI N. B. SIRDESAI.—May I know whether the final gradation list of secondary school assistants and the provisional gradation list of secondary school assistants would be implemented or given effect to urgently?

SRI G. B. SHANKAR RAO.—The problem is that as and when we publish the provisional list, there will be objections filed by the concerned people and those objections will have to be considered. All these formalities will have to be gone through. The final inter-state list of these officials will be finalised and given effect to.

SRI N. B. SIRDESAI.—May I know what difficulty the Government is finding in making applicable the ex-Hyderabad pay scales to the Graduate teachers also?

SRI G. B. SHANKAR RAO.—The Graduate teachers working in the secondary schools, they did not approach the Courts and they accepted the pay scale; so the Graduate teachers working in the secondary schools approached the High Court and the matter went up to the Supreme Court. Based on the Supreme Court order, their pay scales were revised. The others did not agitate, they kept quiet, So we did not think of giving them the pay scale for which they are now agitating.

MR. SPEAKER.—The question hour is over.

QUESTIONS FOR ANSWERS ON THE DAY

(but not taken up)
